

RANIA TAWK

Interior Design Manager

Designing meaningful spaces through strategic thinking, excellence & human-centered experiences

Riyadh, Saudi Arabia | Tawk.rania@gmail.com | +966 581 118 501

PROFESSIONAL PROFILE

With over 18 years of experience delivering high-end residential, hospitality, commercial, and mixed-use developments across the Middle East. Proven expertise in leading multidisciplinary teams from concept through IFC and construction, ensuring design excellence, regulatory compliance, and seamless coordination with stakeholders.

Recognized for combining creative vision with technical rigor, specializing in transforming complex project requirements into functional and aesthetically refined environments. Experience on both consultant and developer sides provides a holistic understanding of project delivery, cost control, and client expectations.
